

Dit dra altyd meer gewig as verskeie persone, self soortgelyke klagtes, aan die munisipaliteit se deur lê. Aangeheg is 'n PDF leer met meeste van die munisipaliteit se kontak besonderhede. Dit is by uitstek die weg waarlangs jy die munisipaliteit direk, en in jou eie woorde, kan komplimenter of 'n klagte aanhangig maak.

It always has a better effect if more than a single person lodges complaints, especially if it concerns the same problem, at the municipality. It is the best way whereby you can state the compliment or complaint in your own words, directly to the municipality

Hierdie is die kontak besonderhede aan die KBBV beskikbaar. Skakel ons as iets verkeerd, onvolledig is, of as jy iets kan byvoeg.

These are the contact particulars that we know of. Contact us if something is wrong or incomplete or if you can add.
